'Sparkle Scarlet'

'Sparkle Salmon'

Introducing the 'Sparkle' series of Begonia

The Sparkle Series of Begonia are brand new for 2009. Sparkles are notable for their compact well branched habit and huge flowers. Sparkle are ideal for small container production such as quarts, but will fill large pots as well. Sparkle breaks new ground in begonia boliviensis breeding ,adding a grower friendly habit to this popular type of begonia.
